

Making our Move: Uniting the Movement in Notts and Derbyshire

Tuesday 12 October
12.30pm to 1.30pm

[Click here to register](#)

Over 700 people and organisations have connected over the last year – reflecting on insight; shaping a shared vision; discussing future priorities and opportunities.

These conversations have all been pulled together and are presented in Making Our Move: Uniting the Movement in Notts and Derbyshire, a 10 year plan for addressing inequality and empowering everyone to be active in a way that works for them.

Please join us on 12th October for the next stage....it'll be an opportunity to explore our shared vision and develop ideas. Professor Donna Hall will be sharing her experiences on working alongside residents and communities. We'll also be joined by a panel of leaders from across our networks to discuss how we can work together to achieve our shared vision.
